Policies and Procedures

I have been provided with details of Humpty Dumpty Playgroups; COVID-19 policy, Privacy Notice, Prospectus, Information Sharing, Un-Collected Child, Safeguarding, Online Safety and Healthy Eating policies.

The policies and procedures have been explained to me that they are always available in the setting, through termly newsletters, and I can make changes/question a policy if I feel it necessary.

I understand that there may be circumstances where information is shared with other professionals or agencies without my consent.

HM Government Information Sharing: Guidance for Practitioners and Managers (DCSF, 2008), instructs the playgroup, that through our 'Information Sharing Policy', parents/carers are asked to sign the registration form to say that they understand the circumstances in which information may be shared without their consent. This will only be when it is a matter of safeguarding a child or vulnerable adult.

Humpty Dumpty Playgroup is registered with the Information Commissioners Office (ICO). This is a requirement enforced by the General Data Protection Regulations (2018) (Please refer to Privacy Notice). Please sign to give your consent for us to hold your/your child's details on the premises.
